All year long rankings were through the roof by Cigar Aficionado and others but we're not listening to them (never have). We're here to tell you on our own that this baby is an award winner, show stopper, the next best thing to sliced bread...gosh, starting to sound like Cigar Aficionado. That's enough for now. Come by and see for yourself. Fadi will be your host. A most likeable guy. Treat him well and you could get an extra treat in return.

One of the work's great cigar manufacturers is coming to our Del Mar store to show off his products. You will be the beneficiary.
